[Carl Parker](#)

Hello Maxine. I thought we could have spent some time alone.

6/27, 9:41pm

[Maxine Ann Welch](#)

To do?

Hummmmm

I'm having headaches right now

6/27, 9:43pm

[Carl Parker](#)

You know I love your company. Even if its to lie next to you like in Yupukari

6/27, 9:45pm

[Maxine Ann Welch](#)

Don't u think its bad?

6/27, 9:46pm

[Carl Parker](#)

I don't think so once we keep it among ourselves. And I know you are a confidential person. Thats why I am keeping you close to me

6/27, 9:55pm

[Maxine Ann Welch](#)

Am I suppose to be on this trip?

6/27, 9:58pm

[Carl Parker](#)

Honestly no. But I decided to give you the exposure. I am grooming you to take over from me. If we win the next elections I would only have 1 year to go before I retire. When that time comes we must have an experienced person to take over. And you are that person. I've already discussed it with Mr. Bulkan

6/27, 10:02pm

6/27, 10:06pm

[Carl Parker](#)

So what do you say we get together?

6/27, 10:08pm

[Maxine Ann Welch](#)

I know u have other women

After all u have money now

6/27, 10:10pm

[Carl Parker](#)

Thats not true. I won't say orher women don't like me. But i will stick with those who stuck with me when i was nothing. And you are one of them. You fed me when i was hungry

6/27, 10:11pm

[Maxine Ann Welch](#)

Well it wasn't actually me.

U just want me to prove a point.

6/27, 10:12pm

[Carl Parker](#)

What point? I am not like that. I love hard. I give my all

6/27, 10:14pm

[Maxine Ann Welch](#)

U have a wife

A married man just looks for excitement with vulnerable women

Use, abuse an then throw aside

*and

6/27, 10:17pm

[Carl Parker](#)

I am with Bernie 22 years. She is gravely ill and cannot be sexually active. I don't want another woman who i have to go thru that with again. At least the next woman must be able to bury me

6/27, 10:21pm

[Maxine Ann Welch](#)

But u love her. That must make u feel guilty

6/27, 10:23pm

[Carl Parker](#)

I am a realist. Yes i do love her. But she understands her situation. We have discussed this several times. Her position is if i have to have a relationship she must not know about it. I respect that. I was looking for someone who won't kiss and tell

And you know lethem people love to talk. I have tested you on several occasions and i never heard back anything . Hence i know you are the one. You ever wonder why i pay so much attention in your affairs?

6/27, 10:39pm

[Maxine Ann Welch](#)

Really. Getting smart with me, I see

6/27, 10:41pm

[Carl Parker](#)

Thetes nothing smart snout that. Its the plain unadulterated truth. Can i come over so we can talk face to face? I love to look you in the eye when i am with you. They tell a lot

No i didn't. Well can you postpone your trip tomorrow and travel thurs? I can cover for you

6/27, 10:52pm

[Carl Parker](#)

Like you dose off
